

AMINA MA I

26.8.85

Dear David,

Somewhere under a rainbow hat, your muse s'amuse & strips in your mirror an enigmatic message. in the "Soul style" —
O.K.?
To you the ball —
I'm glad the "scroll unrolled" beautifully — mine "enrolled" but you certainly won't remember —
Which nude man, which turtle & enticing woman are you talking about?

Happy days to you + love

Betty
